REDLANDS REPUBLICAN WOMEN'S CLUB FEDERATED
PATRIOTIC WOMEN WORKING TO RESTORE AMERICA

2021 MEMBERSHIP APPLICATION

The **Redlands RWCF** works to elect and support Republican candidates and current elected officials. We register voters and educate our community about Republican principles and policies. We are active in the community both as a club and as individuals promoting literacy, scholarship, and support for the military and their families. Our club programs include current political topics and issues of local, state, and national interest. Our general meetings are held on the third Friday of each month and provide opportunities to meet current Republican candidates and discuss issues that are important to all of us.
